Objective

The objective of this Policy and Procedure for Hammond Institute is to ensure that

- RTO provides a complaints and appeals avenue to participants
- Ensure complaints are processed in an appropriate timeframe.

For the purposes of this policy, the term “RTO” refers to Hammond Institute.

Scope

Terms and definitions

1. Grievance - a grievance is a concern about academic matters, perceived discrimination, a situation, a process, a person or people, a facility or a support service provided by RTO, which the student brings to the attention of the RTO in an informal way, i.e. it is spoken about, not written down.
2. Complaint - a formal complaint takes place if a grievance cannot be resolved informally (for example, the affected parties discussing the matter), and is written down for official processing.

3. Complainant - student or potential student or a stakeholder lodging the grievance or complaint

4. Assessment Appeal - neither a grievance nor a complaint is about dissatisfaction in relation to an assessment process or outcome; that is an Assessment Appeal.

5. Appeal - if a student or stakeholder is dissatisfied with a decision made by the RTO, he/she has twenty (20) working days from the date stated within the written notification in which to lodge an appeal to have the case reviewed. This includes decisions relating to complaints outcomes and assessment appeals, as well as notifications of unsatisfactory academic progress, unsatisfactory attendance, misbehavior, refusals of transfer applications, and/or pending cancellation of enrolment, in case of students.

### Procedures

Complaints may be made in relation to any of RTO’s services and activities such as:

- The application and enrolment process
- Marketing information
- The quality of training and assessment provided
- Training and assessment matters, including student progress, student support and assessment requirements
- Student amenities and facilities
• Discrimination
• Sexual harassment
• The way someone has been treated
• The actions of another student
• Other issues that may arise

Appeals should be made to request that a decision made by RTO is reviewed. Decisions may have been about:

• Course admissions
• Refund assessments
• Response to a complaint
• Assessment outcomes / results
• Other general decisions made by RTO

RTO is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy and procedure, RTO ensures that complaints and appeals:

• Are responded to in a consistent and transparent manner.
• Are responded to promptly, objectively, with sensitivity and confidentiality.
• Can be made at no cost to the individual.
• Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.

The complaints and appeals policy and procedure and form are made available to all students and potential students by directly contacting RTO, through the RTO’s website, Pre-enrolment process and Student handbook.

Where possible, all informal attempts shall be made to resolve the issue (Informal Complaint). This may include advice, discussions, meeting with the student, emails and general mediation in relation to the issue and the student’s issue. Any staff member can be involved in this informal process to resolve issues, but once a student has placed a formal complaint / appeal, the following procedures must be followed.

If a student is uncomfortable in speaking directly to the person involved or the informal process does not resolve the issue to the student’s satisfaction, the formal process should be followed as described below.

Where a student is unhappy with the outcome of an assessment decision, this will be dealt with under assessment appeals. Please refer to Assessment appeals in the Appeals section.

RTO reduce client complaints through:

• providing excellent ongoing customer service
• addressing complaints quickly and fairly
making sure similar kind of complaint/incident does not occur again

When a client has a genuine complaint, RTO may:

- thank them for raising the matter
- treat them with genuine empathy, courtesy, patience, honesty and fairness
- respond to the complaint quickly
- tell the client how RTO will handle it and when to expect a response.
- speak to the complainant in person.

Diagram of the Different Steps/Procedures in the complaints management system:

Grievance management and handling (Informal complaints)

Students or potential students or stakeholders are encouraged, wherever possible, to resolve grievances directly with the person(s) concerned. For example: if the issue concerns an academic matter, the complainant should talk honestly to the trainer about his/her concerns, issues about fees should be discussed in the first instance with the CEO.

If the student or potential student or stakeholder has attempted to resolve the issue directly, but is not satisfied with the outcome or does not wish to approach the person(s) concerned directly, then he/she may discuss the issue with the Compliance manager (CM). He/she may be accompanied or assisted by a support person during this process.

The CEO will consider the issue and may either suggest a course of action to resolve the issue, or attempt to mediate between the complainant and the person(s) concerned.
Within ten (10) days of receiving the grievance, the Compliance Manager (CM) will provide the complainant and any other person(s) directly concerned with a written report summarizing the actions that were taken, or will be taken, to resolve the issue.

If the complainant is not satisfied with the outcome, a formal complaint can be lodged under this policy.

**Complaint Management and Handling (Formal complaints)**

Students or any other stakeholders who are not satisfied with the outcome of the informal process, or, who want to register a formal complaint may do so. There is no cost for the complaints process unless it is referred to a third party. Complainants have the right to access advice and support from independent external agencies/persons at any point of the complaint and appeals process. Use of external services will be at the complainant's costs unless authorised by the CEO.

Any person wishing to submit a formal complaint can do so by completing the Complaints and Appeals Form and state their case, providing as many details as possible. This form can be obtained by contacting Administration staff at RTO, or through the RTO website.

All formally submitted complaints are submitted to the CEO.

Once a formal complaint is received it will be entered in the Complaints and Appeals Register and written acknowledgment will send to complainant which is monitored by the Compliance Manager (CM) regularly. The information to be contained and updated within the register is as follows:

- The name of the complainant
- Date of the complaint
- Type of complaint
- Name of investigating officer/business unit assigned to deal with the complaint
- Response from those involved in the allegations
- Analysis of the matter
- Outcome of complaint
- Action recommended to address systemic issues (if any)
- Time taken to investigate complaint
- Complainant satisfaction with the outcome.

A student may be assisted or accompanied by a support person at any face to face meetings regardless of the nature of the issue or complaint throughout the process at all times.

The CEO will then refer the matter to the appropriate staff members to resolve, or make a decision on the complaint within 10 working days and keep the complainant informed of any decisions or outcomes concluded, or processes in place to deal with the complaint.

Where a decision is expected to take longer than 60 days, RTO will advise the student in writing of the delay and including the reasons for the delay. Thereafter the student will be provided with weekly updates in writing of the progress of the complaint or appeal. Weekly updates to both complainant and appellant will be provided by the CEO. If decision is taking more than 60 days’ matter can be forwarded to an external complaint resolution organisation as well for resolution.
Once a decision has been reached, the CEO will inform all parties involved in writing. Where the complaint process does not find in favor of the complainant, s/he will be notified that they have the right of appeal. To appeal a decision, the RTO must receive, in writing, grounds of the appeal within 10 days of the date of the notice of the decision.

The CEO ensures that RTO will act immediately on any complaint where the complaints process results in a decision that supports the complainant. RTO will immediately implement any decision and/or corrective and preventative action that are required, and advise the student of the outcome.

Copies of all documentation, outcomes and further action required will be placed on the Complaints and Appeals Register by the CEO or representative and also in the student's file, in case of student as complainant.

Nothing in this procedure inhibits student’s rights to pursue other legal remedies. Students are entitled to resolve any dispute by exercising their rights to other legal remedies. Students wishing to take this course of action are advised to:

- Contact a solicitor; or
- Contact the Law Institute of Victoria, 470 Bourke St., Melbourne 3000, and telephone 03 9602 5000 for a referral to a solicitor.

**Appeals**

All students and stakeholders have the right to appeal decisions made by RTO where reasonable grounds can be established. The areas in which a student or stakeholder may appeal a decision made by RTO may include:

- Any other conclusion/decision that is made after a complaint has been dealt with RTO in the first instance as described in the complaints process above. This is referred to as a general appeals)
- Assessments decisions as set out below (assessment appeals).

To activate the appeals process, the complainant must complete a Complaints and Appeals Form that is to include a summary of the grounds the appeal is based upon. The reason the student feels the decision is unfair is to be clearly explained and help and support with this process can be gained from RTO staff.

With regard to general appeals, compliance manager (CM) determines the validity of the appeal and organizes a meeting with all parties involved in the matter and attempts to seek resolution where appropriate.

The process for all formally lodged appeals will begin within 10 working days of the appeal being lodged.

CM ensures RTO acts on any substantiated appeal.

**General Appeals**

Where a student has appealed a decision or outcome of a formal complaint, they are required to notify RTO in writing within 20 working days of the grounds of their appeal. Any supporting documentation should also be attached to the appeal.

The appeal shall be lodged through CM or a nominee appointed by CM. An RTO representative must record the details in the Complaints and Appeals Register.
The CM or a nominee appointed by CM will be notified and will seek details regarding the initial documentation of the complaint and make a decision based on the grounds of the appeal.

The appellant will be notified in writing of the outcome with reasons for the decisions, and the Complaints and Appeals Register updated particularly the student will also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify RTO if they wish to proceed with the external appeals process.

**Assessment Appeals**

Where a student wishes to appeal an assessment, they are required to notify their Trainer in the first instance. Where appropriate their Trainer may decide to re-assess the student to ensure a fair and equitable decision is gained. The Trainer shall complete a written report regarding the re-assessment outlining the reasons why assessment was - or was not - granted.

If this is still not to the student’s satisfaction, the student may formally lodge an appeal. They will lodge this with the CM or a nominee appointed by the CM and the appeal will be entered in the Complaints and Appeals Register.

The CM will be notified and will seek details from the Trainer involved and any other relevant parties. A decision will be made regarding the appeal either indicating the assessment decision stands or details of a possible re-assessment by a third party. The third party will be another Trainer/Assessor appointed by RTO.

The student will be notified in writing of the outcome with reasons for the decision, and the Complaints and Appeals Register will be updated. The student will also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify RTO if they wish to proceed with the external appeals process.

**External Appeals**

If not satisfied with the general appeal processes, the complainant may request that the matter be further reviewed by an external dispute resolution process, by the body appointed by RTO for that purpose.

The details of these external bodies are as follows:

Resolution Institute, previously as LEADR and IAMA, has been accrediting mediators since the mid-1990s. [https://www.resolution.institute/](https://www.resolution.institute/)

Or

The Dispute Settlement Centre of Victoria (DSCV)

Dispute Assessment Officer

Level 4, 456 Lonsdale Street

Or Overseas Students Ombudsman (For International students only) at Website: [http://www.oso.gov.au](http://www.oso.gov.au)

The division of the expenses associated with the mediation e.g. mediator’s fee, room hire and possibly travel expenses are to be shared equally between RTO and the complainant.

The RTO will immediately implement recommendations arising from the external review within at least 10 working days of the receipt of the recommendations.

Further information

- Any allegation against a RTO staff member or member of a subcontractor party is made known to that person and RTO will provide an opportunity to present their side of the matter
- Investigations and decisions are made by persons who do not exercise bias
- A complainant should feel confident that they will not suffer any discrimination as a result of using the complaint or appeal process
- Confidentiality shall be maintained to the extent of the people that need to be directly involved in the complaint or appeal process.
- All the information regarding this policy can be found:
  - On the RTO website;
    - In the Pre-Enrolment Handbook and Student Handbook;
    - In the Staff Handbook;
    - In the Letter of Offer and Agreement;
    - During Orientation;
• The student can be supported or accompanied by an independent person or friend during the complaints and appeals process.

• It is normal RTO policy that whilst a student is going through any formal complaint or appeals process that the student remains enrolled at RTO and continues their studies and assessments in the normal way. It should be noted that if the complaint or appeal has resulted in the student being suspended or excluded due to a breach of the Student Code of Conduct, then the suspension or exclusion shall continue until either it has expired or the result of the complaint or appeal is decided in the students favour.

• RTO has a fair and transparent informal and formal complaints and appeals process, but should the student require it, access is available to an independent mediator who can review the compliant and/or appeals process.

NOTE: If the outcome is in the appellant’s favour then RTO will implement any changes recommended by the adjudicator immediately and advise the appellant of the outcome and actions taken.

Continuous Improvement

A summary of all continuous improvement related matters and concerns will be presented as a part of the Continuous Improvement policy and procedure at the Management Meeting for review. The purpose of this is to ensure management become aware of:

• repeat issues
• common threads relating to the compliance and quality assurance.
• (when viewed collectively) any general adverse trend that needs correcting
